

9TH INTERNATIONAL SYMPOSIUM ON THE SYNTHESIS AND APPLICATIONS
OF ISOTOPES AND ISOTOPICALLY LABELLED COMPOUNDS

Edinburgh, UK
16-20 July 2006

2006 JLCR Young Scientist Award

John Wiley & Sons offer their congratulations to the winners of the 2006 JLCR Young Scientists Award and thank the Selection Committee Members of the International Isotope Society.

Prize Winners

Angela Jordan,

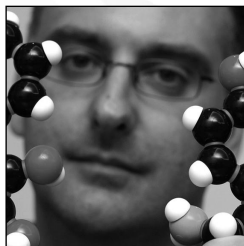

Astrazeneca, Macclesfield, UK

**"Methods for the Synthesis of Carbon-13
Labelled Acids and Esters"**

Toby J Athersuch

Imperial College London, London, UK

**"Isotopic Enrichment as an Aid in
Metabolite Profiling"**

Sean L Kitson

GE Healthcare, Cardiff, UK

**"Application of the Bischler-Napieralski-Pschorr Radiosynthesis
of (R)-(-)-[6a-¹⁴C] Apomorphine, A D₁/D₂ Receptor Agonist"**
